I. About Us

Abitzu is a cloud software for **Salon, Spa, Ayurvedic Clinics , Day care clinic**. Specially designed to offer Single or multi-branch operation management. **Abitzu** provides Industry standard process (SOP's) & workflow solutions to individual owners, startups, SME's and corporate businesses. Companies can utilize our software expertise in scaling their franchise models, and can leverage our experience of making our software.

Besides simplifying the management and operational tasks, **Abitzu** has a clear and simple goal; to offer a unique **360 degree** business management through its **amazing UI / UA and Artificial Intelligence**.

Abitzu is a cloud software and is hosted on world's most secured and premium servers of Amazon (AWS)

Abitzu is a SaaS solution that can empower small and medium stores to gain level playing field with the large corporations.

The **Abitzu** name means - **A Bit of Zillion Universe**. In our Life we all will reach our maximum potential and might become the PM , President or even King & Queen of a country. Now consider of airplane view / bird's eye view from MARS, we won't be visible and even the earth will be seen as a dot. If we go further and look at our universe , then even earth or mars won't be visible and our solar system will look like a dot. And there are not millions or billions but there are Zillions of Universe.

We are **A Bit Of Zillions Universe (ABITZU)** and you are **ABITZU, I am ABITZU** and we all of are **ABITZU**.

Even when we are all ABITZU, we can still make a mark in this Universe

Abitzu is founded and managed by a group of senior executives that hold 100+ years of cumulative experience. Under their vision and mentorship, we have successfully built World class Software at **Abitzu** which is **Multi Language , Multi Currency, Multi time Zone**.

II. Team

The team is made up of Software engineers, designers and strategists who are experts in their respective fields of work. We spend our time doing research and coding to keep our SaaS Software as optimal as possible. You can trust us to build and maintain world's leading software better than anyone else out there.

With 100% in-house team that makes endless sense when it comes to delivering quality work on timelines nobody else ever does

III. Technology

Abitzu is a **cloud-based software**, hosted on world's most secure and premium servers of **Amazon (AWS servers)**.

Build of the **PHP , MySQL ([The same technology on which Facebook is built](#))**.

PHP is a computer scripting language that specialises in simple, automated functions.

Abitzu is integrated with **Razor pay** for collecting payments

Abitzu Data can be imported in **Tally** with a 3rd party tool.

With a tech-savvy team of professionals, we, at Abitzu Salon & Spa Software Company, are the leaders in this field. **Abitzu software**, which works in **15 languages and has multi-currency , Multi time Zone compatibility**, is a perfect solution for **Salons, Spas, Day Clinics, Doctor Clinics**.

Salon Spa Software with complete **feature rich ERP / POS** From forward integration to backward integration

IV. What We Do

Abitzu is a cloud-based salon management software that's helping Salon / Spa Owners, Managers, stylists, colorists and more, around the world run their business.

With features like **Salon Administration, Appointment Scheduling, Invoicing, Package , Prepaid, Gift Cards, Cash Backs, inventory control**, and more.

Abitzu comes with a **responsive UI/ UX design** that works on any device - desktop, tablet or mobile.

Our intuitive platform simplifies and automates every process an owner would need for success at a salon & Spa.

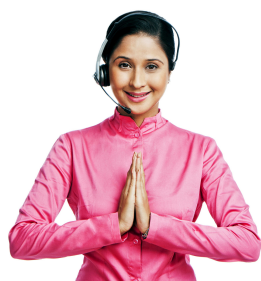

Abitzu is an **affordable tool** for small to medium sized businesses with low overheads.
